MOO NEWS

The MEN OF OREMS will be meeting the fourth Thursday of May at 7 pm.

They will begin holding Pit Beef sandwich sales on May 3rd and continue throughout the summer months on the first Saturday of each month. These sandwiches are a delicious way to help with funding the many projects around the church. Thanks to all who support this fund-raising activities.

The Men of Orem will also have a special "something" to give out on Mother's Day. Thank you to MOO for these gifts.

Gardens to beautify Entrance to the Church

Have you noticed the change to our church grounds. Through some generous donations, we were able to landscape the front of the church lawns and add some benches to make a comfortable meditative area.

The Landscaping company Akehurst planted shrubs and flowers and will be in charge of the perpetual care program for

these gardens. It will be exciting to see the garden grow and add a touch of beauty to our building.

If you would like to contribute to the care of these gardens, place a donation in an envelope marked "GARDENS" and we will add it to the landscaping funds.

THANKS

To Orem Church

On behalf of the Orem Elementary PTA and Students, we would like to thank you for the use of your beautiful Church Hall for our Bingo game night. It was a huge success! And extra thanks to the Men from the choir who helped find and carry chairs to the Hall for set up that week. It was greatly appreciated.

Thanks again on behalf of Orem School PTA

Susan McNeal Winkler

Dear Orem United Methodist Church

Thank you so much for the loan of decorations to Eastern Tech High School Prom. It was greatly appreciated and the decorations added so much to the event. Without them, the prom would not have been the same.

Sincerely

Hall Closet Thrift Shop News

Our Thrift shop continues to accept donations of men, women and children clothing, bedding, books, toys, shoes, and household goods.

The monthly sale

day has been a very successful contribution to the church general budget. It is also a great way to reach out to our community.

Our next open day is May 3rd. The shop is

open from 8:30 a.m. to 12 Noon. There are two shopping rooms with many bargains. Come join us on our next shopping day.

It's Photo Time!

We want you included in our directory. You may

submit a photo for our directory for a \$10 fee. If it is a professional photo it must come with a signed permission from the studio. Any close up photo is fine. We hope to have a good representation of the congregation.

Finance Report

You may know that the money you give in your offering envelope goes to help pay utilities, supplies and salaries. But have you thought about how we pay for repairs and upkeep of our building complex?

Just like your home, our building needs attention as it ages. Capital Improvement donations are set aside for this purpose. At the present time we are considering adding outside lighting, continuing to survey the cemetery for proper mapping layout, and watching a very old boiler work to heat our Education building. We also are still trying to build up our funds after purchasing the tile for the fellowship hall. If you would like to contribute to this fund, look for the small yellow envelopes in your pew. As always, we appreciate any help you can offer toward our expenses.

*And ⁴all the tithe of the land, whether of the seed of the land or of the fruit of the tree, is the Lord's.
It is holy to the Lord Leviticus 27:30*

DISCIPLES OF YARN

During the last few months, I have received several large contributions of yarn. These contributions were anonymous so I have been unable to thank you for your great kindness. Without your help our crotchetier could not afford to keep this mission active. Your donations give us an opportunity to give prayerful support to our sick and distressed. Last week I gave out 8 shawls in just 5 days. All of the recipients thanked me for the shawl and then thanked me again for the prayers for them. I thank all of you too. You are my blessing to this mission.

God's Blessings to all

Mildred Shephard

If you need instruction to crochet or knit, Karen Dull and Mildred Shephard would be happy to help you at one of our Needle Bee meetings.

The Needle Bees will be meeting on April 29th and May 13th. Come and join us to do a needle craft of any kind. We meet at 6:30 p.m. in Room 100.

Sarah Circle

The April meeting was held at Brightview Nursing home to visit with Betty Klutz.. It was a lovely visit for the group and Betty enjoyed our company.

Our next meeting will be May 13th at 11 a.m. We hope all will be well and able to attend our meeting.

COMING SOON... A NEW BIBLE STUDY

The Christ-Centered Woman: Finding Balance in a World of Extremes

Led by Mrs. Nikki Hart

Sometimes the commitments and pace of daily life can make us feel as if we're on a whirling merry-go-round and dangerously close to losing our sense of balance – or being flung off altogether. We need to discover a calm center from which to handle the distracting forces of life that seek to move us away from what is truly important.

In this six-week Bible study, Kimberly Reisman provides an in-depth guide to finding balance at every age and stage of life. Rather than the typical self-help solutions the world offers, she leads us to the biblical answer to stress and imbalance: living a Spirit-filled, Christ-centered life. Using a wheel as a metaphor for the journey to a Christ-centered life, she identifies barriers to balanced living and explores what the Bible teaches about Christ-centered living – showing in practical terms how placing Christ at the center of our lives leads to the wholeness and balance God desires for us.

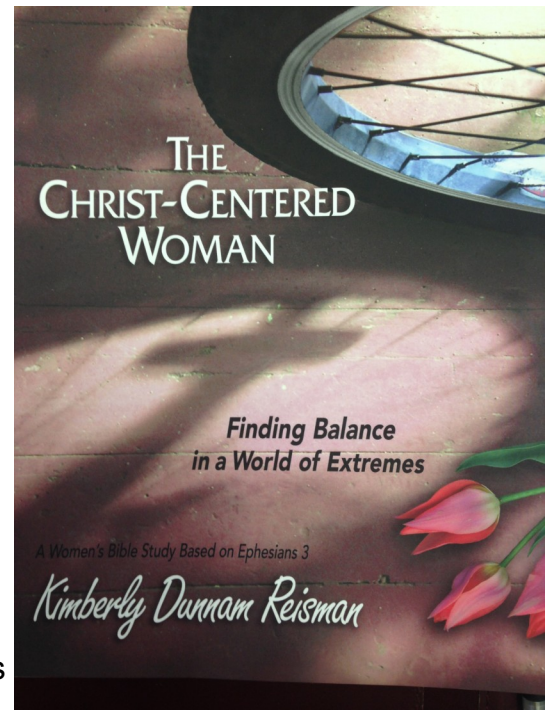

The participant book guides women in daily personal study and the interactive format includes space for responding to questions and recording personal reflections.

Classes include the following topics: 1. Good Enough, 2. Temperance, 3. Self-Discovery, 4. Authenticity, 5. Calling, 6. Power and Purpose, and 7. Flexibility.

A sign-up sheet will be circulated on Sunday mornings. The cost for the participant book is \$10. **Class will be offered on Tuesday afternoons from 2pm to 3:30pm.**

Dates: May 20, May 27, June 3, 10, 17, 24th

YOU DON'T WANT TO MISS THIS WONDERFUL OPPORTUNITY!!!

Don't forget to collect those labels from Campbell's Soup and other food products. Look for the Campbell's Soup label collection bin in the hallway. The Box Tops will be donated to the Board of Childcare mission.

Cell Phones are still being collected as a fundraising mission through GRC recycling. There is a box in the connecting hallway to collect your unwanted cell phones.

One Call Now System

We use the One Call Now system to send out reminders and announcements of activities, meetings, fund raiser events and other announcements we need to communicate to the congregation. If you miss the message from our One Call you can replay the message by calling the toll free number 1-877-698-3261 and press option "1" to hear the group message.

Help Our Mission!

The United Methodist Women continue to support *The Center for*

Pregnancy Concerns. This Center is reaching out to women who are in a time of their lives when they are vulnerable and in great need of support. The Center is accepting donations of Maternity Clothing, Baby clothes up to size 4 T, and other items a mother to be may need. You may drop off the donations at the Center at 442 Eastern Avenue or bring your donations to the Church (Please have them marked For CPC or Center for Pregnancy) and we will see that they are delivered to the Center. Thank you for helping with this worthwhile mission.

Henderson Settlement

Submitted by: Judi Maynor, Education in Mission Chair for the Orem's United Methodist Women

"Meeting basic needs in Appalachia since 1925

Henderson Settlement was originally founded as a school in 1925 by Methodist minister Hiram Frakes in what would later become Frakes, Kentucky. Shortly thereafter, a dormitory was added to provide housing for students and a church was built. Under the management of Tex Evans in the 1950s and 1960s, Henderson Settlement expanded their agricultural program and set up a work camp for volunteers. In the late 1960s and 1970s, Henderson was a part of the federal War on Poverty, adding more social services such as a volunteer fire department, an early childhood development center and a health clinic. From the 1980s until today, Henderson has focused on sustaining community activities for everyone through youth ministries to senior housing. In addition, Henderson still hosts hundreds of volunteers at their work camps every year, continuing the tradition of service in Appalachia.

With 66 backyard gardens, four greenhouses and two community gardens, Henderson Settlement hosts the largest number of Grow Appalachia gardens. They also have a commercial kitchen, a farmers' market and a herd of cattle and goats to round out their food-producing capabilities.

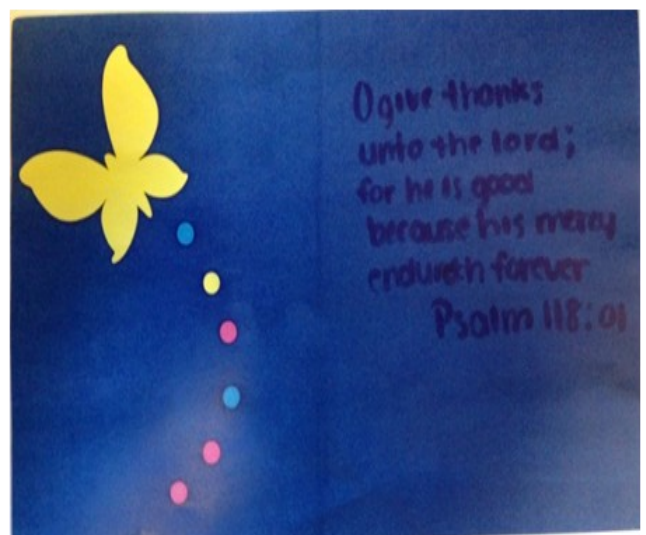

Grow Appalachia's grant allows organizations like, Henderson Settlement, to add personalized service to their clients who may have already been gardening in the community, but did not have the resources to have their own gardens at home. To last the winter. The commercial kitchen at the Henderson Settlement hosts cooking and canning classes to help other growers process food to be made into jams, salsas, pickles or other value added goods that can then be sold on site at the farmers' market.

Henderson Settlement is a one-stop sustainable food shop.
