### Experiencing Holy Week-- a Family Event on March 21<sup>st</sup> at 11: 30 a.m. After Worship Service

It is actually two events in one!  
Join us on Palm Sunday for a meal together. We will provide lunch meat and bread, you bring a side dish (salad, veggie tray, applesauce, etc.) OR a dessert to share. The fun begins at 11:30 a.m. following our Palm Sunday Worship service. After our meal is complete we will divide the group Children and Adults. The Adults will remain upstairs in the hall for fellowship and discussion about Holy Week while downstairs the children will make crafts, have a lesson and lots of fun. What transpired from Palm Sunday to Easter? What did Jesus do that week? How did that effect the events on Good Friday and then become the Joyous Surprise of Easter Morning? And how can that change us? Come on Palm Sunday to find out.

### HOLY WEEK SERVICES

**Maundy Thursday—Worship at 7 p.m.**

**Good Friday—Worship at 7 p.m.**

**We will have a Sunrise Worship service at here at Orems at 7 a.m. on Easter morning. This service will be more casual. Come open your day as the women at the tomb did-greeting the morning with a big surprise!**

**Easter Celebration at 10 a.m. Our Traditional service with special music and Communion!  
Come worship the Risen Lord!**

***HE IS RISEN! HE IS RISEN INDEED!***

Our Theme for 2016 is James 5:16 (NLT version)

“Therefore confess your sins to each other and pray for each other so that you may be healed. The prayer of a righteous person is powerful and effective.”

Think about our theme, pray about our theme, strive to live our theme in 2016.

## A Word From Our Pastor

Happy Lent!

I trust you are having a good Lent and preparing yourselves for the Resurrection of our Lord on Easter.

I love Lent, but I didn't always feel this way. As a child I looked upon the coming of Lent with sadness if not disdain. As you may recall, I grew up a Roman Catholic and so Lent meant not eating meat on Fridays and being relegated to consuming fish sticks, all the while giving up candy or soda as a sacrifice during the 40 days. "Fish Fridays" were a norm in my Catholic prior life. Fish is good, but when you *have to* eat it, it loses its good flavor. Of course now I eat whatever I want on Fridays as a Methodist, right? Yes and no. While I am not required to refrain from eating anything in particular, I do observe Lent as a time to hit the 'reset' button on my eating and life in general. I find that my food consumption tends to reverberate into the rest of my life, and I have been eating very unhealthy lately and too much. I felt the need to scale back so as to honor God through this temple that God has given me, my body, and so I did. I restrict what I eat and how much I eat as a spiritual discipline during Lent not because I have to, but because I want to so as to draw closer to God.

So what are you doing for Lent in trying to draw closer to God, and how is it going? Do you feel any closer to God during this time of Lent? Do you feel farther away? Take a moment out of your busy schedule to pray and think about your relationship with God. How's it going? If you need help and want to hit your own 'reset' button, then do it through prayer. God is always there, always waiting, and always wanting to be in greater relationship with you. God is like the father waiting on the prodigal son, or daughter, and is ready to run and welcome you in with open arms.

Whatever you do this Lent, never forget the love that God has for you and the joy and life that you can have in Jesus' name. It is in His life that there is True life. It is in His death and Resurrection that we have life by our death to self and the hope of the resurrection in the life to come (1 Cor 15). Don't forget this, while Jesus was the first fruits of this new Kingdom of God, we are the seconds and the thirds (1 Cor 15:20-29).

This is our hope. Rejoice in this hope today and seek God in all you do.

May the Lord strengthen you and carry you in this Lenten season and may God bless you and yours!

In Christ,  
*Pastor Chris*

### One Call Now System

We use the One Call Now system to send out reminders and announcements of activities, meetings, fund raiser events and other announcements we need to communicate to the congregation. If you miss the message from our One Call you can replay the message by calling the toll free number 1-877-698-3261 and press option "1" to hear the group message.

Cell Phones are still being collected as a fund-raising mission through GRC recycling. There is a box in the connecting hallway to collect your unwanted cell phones.

Don't forget to collect those labels from Campbells Soup and other food products. Look for the Campbells Soup label collection bin in the hallway. The Box Tops will be donated to the Board of Child-care mission.

## PRAYER CHAIN UPDATE

Prayer plays a very important part in all of our lives. Each of us can likely tell a story about how prayers touched us, helped us in time of need or perhaps helped us in healing.

We have a prayer chain at Orem's United Methodist Church. We want to keep the prayer chain going and if you would like to be a part of our prayer chain; please call Vicki at the church office at 410-687-9483 or Donna Winner at 410-335-7429. We want to start a new list. With our One Call system in place, we can now send out the prayer to everyone on our new prayer chain list at the same time so that all can pray as a unit as we get the information. You will not need to call anyone to further this prayer along our chain but we encourage you to contact others who are not on our chain to spread our prayers wider. Prayer is a powerful tool and praying with others strengthens our faith and theirs. The Power of Prayer—PASS IT ON!!

## Baltimore County Police

The Baltimore County Police Outreach Program is an active move toward building a better relationship with law enforcement and the community. Pastor Chris and Vicki Borreson attended a meet and greet at the Essex precinct to hear more about opportunities to engage with our local police department in positive ways. You will be hearing more about that in the future.

One program that caught our attention is a registration program for families with members who have dementia or Alzheimers. If you have a family member who is impaired in this way, you can register at the Essex precinct with your contact information so that if this person wanders off and is found by the police, they can get them back home to you. There is also an ID program where they get photo cards for that person just like those used for Children to help if they go missing.

You can call the precinct at 410-887-0232. Officer J. Price is heading up this program, but anyone should be able to help you register. Or email him at [jprice@baltimorecountymd.gov](mailto:jprice@baltimorecountymd.gov)

*The Center accepts donations of Maternity Clothing, Baby clothes up to size 4 T, and other items a mother to be may need.
