## **A Word From Our Pastor**

### **Facing Change TOGETHER**

It's often said that CHANGE is the only constant in life. But even when life's changes seem overwhelming, we can cling to the biblical promise of a far greater constant than CHANGE. That constant is **JESUS CHRIST**. Hebrews 13:8 assures us that **“Jesus Christ is the same yesterday and today and forever.”**

As I write this article for the *Beacon*, the 2019 Special General Conference of the United Methodist Church (February 23-26) is only a week away. Only God knows the ultimate outcome and unfolding impact of their work in response to possible plans proposed by the Commission On A Way Forward and other United Methodist groups and concerns. Whatever the outcome, we will all need to face, process, and live into change.

As I await the outcome of the Special General Conference, I draw hope from a July 31, 2018 Facebook post by Bishop Gary Mueller of the Arkansas Annual Conference. Bishop Mueller assures us that, whatever the outcome of the Special General Conference, on the day after **God will still be God, God will still be at work making God's will just as real on earth as it is in heaven, people will still need Jesus, and we will still be called to make disciples of Jesus Christ who will, in turn, make more disciples of Jesus Christ.**

Here at Orem, and in every other United Methodist congregation across our great connection, we will face, process, and live into whatever changes occur **TOGETHER**.

And I am confident that, whatever we are called to face, our wonderful Orem congregation will continue to love and support and pray for each other. And we will also continue to love and minister to our surrounding community.

As always, it is my joy and privilege to serve as your pastor.

Love & Blessings,

*Pastor Gail*

**Book Club using suggested books from the United Methodist Women Reading List is meeting in March. The book:** *The Same Sky: A Novel* by Amanda Eyre Ward. This heartrending novel about motherhood, resilience, and faith—is a ripped-from-the-headlines story of two families on both sides of the American border. We will meet March 12 at 12:30 p.m. to discuss this book. This book is available at Amazon, and may be available at your local library.

## **Souper Bowl of Sharing Sunday**

**Thank you for your generous donations for Souper Bowl Of Sharing. We were able to give the Essex Center for Pregnancy Concerns \$349.75. And we were also able to restock some needed items in our Food Pantry. Our Food Pantry is still in need of Small cans of fruit.**

### **PRAYER CHAIN UPDATE**

Our prayer chain uses the One Call Now system to send out prayer requests to the entire group at one time so that we can join together in prayer. If you need to have a request sent through the prayer chain, contact the church office at 410-687-9483 and the prayer will be sent out.

If you have a request after office hours and it is an urgent request that can't wait till the office opens, please call Vicki at 410-335-1870. Prayers will be sent out as soon as possible.

**One Call Now System** is used to send out reminders and announcements we need to communicate to the congregation. Sometimes a call will experience a glitch and not leave a message or If you miss the message for some reason; you can replay the message by calling toll free 1-877-698-3261 and press option "1" to hear the group message played for you.

## **Disciples of Yarn**

The winter months seem to take a toll on all of us and the prayer shawls are no exception. We continue to create prayer shawls at our Needlebees meetings and at home.

If you crochet or knit, or would like to learn, please join us at the next Needlebees meeting. The dates and times are in your Church bulletin.

Blessings,

Dottie Daiger

**NEEDLEBEES** If you are interested in learning to knit or crochet, join our group. If you enjoy a craft and would like to join us for fellowship while you craft, you are welcome at our meetings. We will meet on March 12th and March 26th at 6:30 p.m. in room 100 beside the church office.

**The April Newsletter deadline is March 15th. Please drop off your information or send an email to [oremsumc@verizon.net](mailto:oremsumc@verizon.net).**

## STEWARDSHIP MARCH 2019 BEACON

For centuries, beacons were used to warn sailors of dangerous shoals. They started with fires lit high up off the ground. Technology improved to electric lights and Fresnel lenses that cast the beam further out than ever before. Today, lighthouse beacons are powered by solar energy and typically unmanned. But GPS—global positioning satellites—will probably make lighthouses with their beacons obsolete, therefore relegating old technology into historic curiosity pieces for tourists to admire. GPS as a technology is currently the most powerful beacon, reaching beyond our imaginations.

Orems is also a Beacon, not just the name of this small local publication. We are to be a beacon for the Good News of Christ. We proclaim that at the end of every service with the admonition to “Go Now and spread the Good News” in the benediction. Or certainly something similar.

Yet, our numbers in the congregation are not growing as they used to. In fact, we are reaching far fewer people than ever before. Instead of communicating to Aero Acres, Middle River, and Baltimore County beyond, we are limited pretty much to the environs of our membership roster. Why? We are only lighting fires above the ground in the old way rather than sending out beams of the Good News via technology, reaching not just outside our doors, but potentially from coast to coast and beyond. Think about that for a moment!

Dr. Rodney Smothers states the following: “While the good news of God’s love is unchanging, the world has moved through the Industrial Age into the digital, downloadable-on-demand age. Social media today is what the printing press was in the past. Churches that do not intend to invest in digital media (for worship, giving, meetings, Christian education, evangelism and mission) are signaling that they do not intend to invest in a vital future.”

We have been “doing church” as we always have, when the tools of doing the church’s mission are evolving. *Imagine* maintaining live connection with folks who move away, no matter how far away they might be. *Imagine* that they can see our services live or on replay later in the week. *Imagine* our senior folks attending our service in their home. *Imagine* having committee meetings on a smartphone rather than sitting in Room 100 on a snowy night. Science fiction? No, it’s here and now. Expensive? No, not in 2019. Stewardship using Technology to adapt to our calling? Absolutely. And Sunday morning services just keep on keeping on! No changes for those attending.

Then, we will be a true Beacon to anyone who wishes to hear the Good News wherever they may be. Who’d have ever thought??

Norris Tingle – Stewardship
